Willkommen / Welcome

*L*iebe Züchterfreunde,

Wir freuen uns sehr, Ihnen den Katalog zur fünften Auflage des German Masters Sale präsentieren zu können.

Die tollen und positiven Rückmeldungen im Anschluss an die German Masters Sales 2014, 2015, 2016 & 2017 gaben uns den Ansporn, dieses Jahr den 5. German Masters Sale zu veranstalten. Wir sind wirklich begeistert und überwältigt von den Anmeldungen, die wir auch dieses Jahr, hierfür von Züchtern aus der ganzen Welt bekommen haben. Und freuen uns Ihnen das mit Abstand qualitativ beste Angebot, das wir bisher hatten, anbieten zu können!

Wir möchten uns bei den Beschickern aus aller Welt bedanken, die uns ihre allerbesten Tiere gemeldet haben und somit einen Katalog mit dieser Qualität erst möglich machen. Ein großer Dank geht auch an die vielen Sponsoren, ohne die diese Auktion nicht durchzuführen wäre.

Durch die vielen tollen Anmeldungen ist es uns gelungen, Ihnen ein breit gefächertes Angebot von über 150 Katalognummern aus den momentan besten Kuhfamilien der Welt zusammen zu stellen. Für jeden Geschmack ist etwas dabei! Im Katalog finden sie einige der höchsten genomischen Rinder die jemals angeboten wurden, dazu die bisher größte und beste Kollektion an abgekalbten mit über 25 fantastischen Färsen und Kühen, überragende Schaurinder, eine nie dagewesene Auswahl an roten Tieren, Embryonenpakete, und das alles in rot oder schwarz. Natürlich dürfen auch einige Spitzentiere der Rassen Wagyu, Brown Swiss und Jersey nicht fehlen!

Und das in allen Preiskategorien, für jeden ist etwas dabei!!

Wir freuen uns sehr darauf, Sie am 19. Oktober 2018 zum 5. German Masters Sale, erstmals in der neuen Auktionshalle der RUWeg in Fließem, nahe Bitburg begrüßen zu dürfen!

*M*it besten Grüßen,

Ihr German Masters Sale Team

*D*ear breeders,

We are very excited to present you the catalogue of the fifth German Masters Sale.

The great responses we had after the German Masters Sale 2014, 2015, 2016 & 2017 motivated us extra to organize this year already the 5th German Masters Sale.

We are extremely happy and overwhelmed for the consignments we received for this edition from breeders from all over the World. We believe to offer you this year the best and most complete offering we ever had.

We want to thank the consignors which entered their very best and made it possible to make this great selection we have for the German Masters Sale 2018. Also we want to thank our sponsors which help us makes this event possible.

Because of the many signups we received for this years Sale we had the great position to make a catalogue with over 150 lots out of the best cow families which the World can offer. There is something for everybody! In the catalogue you will find some of the highest genomic animals ever to sell, a fantastic group with more then 25 fantastic fresh milkers, propably the best group of RED heifers ever to be sold, fantastic show heifers & cows, polled and homozygous polled animals, B&W and R&W, embryo packages and different breeds.

There is something for everybody and in all different price ranges!!

We look forward to seeing you all on Friday, October the 19th at the 5th German Masters Sale, this year for the first time in the brand new auction hall of the RUWeg in Fließem, near by Bitburg, Germany.

*B*est regards,

The German Masters Sale Team

M: NH Marilyn Monroe VG 86
Nosbisch Holsteins, Niederweis

NH Marilyn Monroe gehört zu den weltweit besten Balisto-Töchtern und ist eine der höchsten Zuchtwertkühe im Land. Ihr beiden Söhne Kemal und Fabulus vereinen ihre Exterieurstärke in sich und lassen perfekte Kühe für die moderne Milchproduktion erwarten: mittelrahmig mit guten Fundamenten und ausgestattet mit ideal zu melkenden Eutern. Beide vererben sehr hohe Fett- und Eiweiß-Prozente und verfügen über die gewünschte Beta-Kasein-Variante A2A2.

AUKTIONSBEDINGUNGEN / TERMS & CONDITIONS

Auktionsbedingungen

Durchführung der Auktion: Rinder-Union West eG, Eurogenes, Nosbisch Holsteins

Leitung: Jan de Vries, Arjan v. d. Vliet, Gerd Grebener, Nici Nosbisch / **Veterinäraufsicht:** Veterinär- und Lebensmittelüberwachung, Bitburg

Auszug aus den Auktionsbestimmungen. Die vollständigen Auktionsbestimmungen liegen im Auktionsbüro zur Ansicht aus.

1. Die RUW verkauft die aufgeführten Tiere im eigenen Namen oder in Kommission.
2. Jeder Auktionsteilnehmer unterwirft sich diesen Auktionsbestimmungen.
3. Zugelassen in der Auktionshalle sind nur Tiere aus amtlich tbc- und bruc.-freien sowie leukoseverdächtigen Rinderbeständen. Alle Auktionstiere wurden serologisch mit negativem Ergebnis auf BHV-1 untersucht.
4. Alle zur Auktion aufgetriebenen Tiere sind virologisch negativ auf MD/BVD untersucht.
5. Bekannte wertmindernde Mängel werden vom Auktionator angesagt oder stehen im Update.
6. Unvollständige Katalogangaben werden angesagt. Bei weiblichen Zuchtkälbern haftet der Verkäufer mit einer Frist von 2 Jahren nach Verkauf, dass sie nicht aus einer ungleichgeschlechtlichen Zwillingsträchtigkeit stammen (durch Blutgruppenbestimmung nachweisbar) und keine Zwitter sind.
7. Die Auktionsleitung kann nicht für fehlerhafte Angaben im Katalog verantwortlich gemacht werden.
8. Der Verkäufer leistet Gewähr für die Richtigkeit aller Katalogangaben mit einer Frist von 6 Wochen. Die Sicherung der elterlichen Abstammung durch Blutgruppenbestimmungen bei ET-Nachkommen ist erfolgt.
9. Käufer von ersten Wahlen bezahlen direkt 25% vom Zuschlagspreis zzgl. der gesamten Gebühren. Spätestens drei Monate nachdem das letzte Kalb geboren ist, muss die Auswahl stattgefunden haben. Vor der Übernahme sind die restlichen 75% des Zuschlagspreises zu zahlen. Im Falle, dass die Garantie der 1. Wahl nicht erfüllt werden kann, erhält der Käufer die komplette Anzahlung inklusive der Auktionsgebühr zurück.
10. Bei Doppelgebot und Streitigkeiten entscheidet die Auktionsleitung.
11. Vom Käufer zu zahlender Rechnungsbetrag: Zuschlagpreis + 9,0% Auktionsgebühr + MwSt. + Versicherungsprämie (zzgl. gesetzl. Versicherungssteuer). Die Auktionsgebühr entsteht unabhängig davon, ob die RUW für eigene Rechnung (Eigengeschäft) oder für fremde Rechnung (Kommissionsgeschäft) tätig wird. Die Bezahlung des Rechnungsbetrages hat sofort nach dem Ankauf in bar oder mit bestätigtem Scheck im Auktionsbüro zu erfolgen.
12. Für berechnete Reklamationen haftet der Beschicker, wenn der Schaden nicht durch eine Versicherung abgedeckt ist.
13. **Auktionsversicherung:** Die Tiere sind obligatorisch gegen nachfolgend aufgeführte Schäden versichert. Versicherungswert: Zuschlagpreis + MwSt. Höchstbetrag 10.000 €, Höherversicherung möglich. Für nicht verkaufte Tiere gilt als Versicherungswert der Durchschnittspreis der Kategorie. Der Versicherungsschutz endet für Exporttiere an der Grenze, außer bei den Benelux-Staaten.
Transportversicherung (100%): Tod oder Nottötung infolge Krankheit oder Unfall (einschl. Brand, Blitzschlag, Diebstahl) im Zusammenhang mit dem Transport. Haftung vom Verlassen des Beschickerstalls bis Eintreffen im deutschen Käuferstall.
Tbc-, Brucellose-, Leukoseversicherung (100%): Bei amtstierärztlich nachgewiesener positiver Reaktion (Hautallergietest, Blutuntersuchung) in einem amtlich anerkannt freien bzw. unverdächtigen Bestand. Gewährfrist ein Monat bei Tbc und Brucellose, drei Monate bei Leukose.
Para-TB und Neosporaversicherung: Es besteht die Möglichkeit, am Auktionstag eine Versicherung auf Paratuberkulose (1,19%) und Neospora (4,76%) abzuschließen. Bei Versicherungsverzicht trägt der Käufer das volle Risiko!
Salmonellose Versicherung: Es besteht die Möglichkeit, am Auktionstag eine Versicherung auf Salmonellose (1,00%) abzuschließen. Die Untersuchung muss von Kotproben durch bakteriologische Untersuchungsverfahren festgestellt werden. Bei Versicherungsverzicht trägt der Käufer das volle Risiko!
BHV1-Versicherung: Während des Antransports zur Auktion, bei der Auktion und während des Transportes in den Käuferstall dürfen die Tiere nur mit Rindern Kontakt haben, die die Anforderungen eines BHV1-freien Rindes nach gültiger BVO (Stand Dezember 2001) erfüllen. Wird gegen diese Obliegenheit verstoßen, ist die Versicherungsgesellschaft leistungsfrei. Der Versicherungsfall ist gegeben, wenn die serologische Untersuchung (Probeentnahme) im Käuferstall innerhalb von 7 Tagen nach dem Ankauf ein positives Ergebnis ergibt. Die Versicherungsgesellschaft ist berechtigt, innerhalb von 14 Tagen nach dem Eingang der Reklamation eine Nachuntersuchung durchführen zu lassen. Ergibt sich hierbei ein anderes Ergebnis, so ist die durch einen Amtstierarzt gezogene Probe maßgebend. Untersuchungskosten und Folgeschäden werden nicht erstattet. Bei allen Versicherungsschadensfällen werden Verwertungserlöse angerechnet. Minderwertschäden und Tierarztkosten sind nicht Gegenstand der Versicherung.
14. Verhalten in Schadensfällen: Der jeweilige Tierhalter ist verpflichtet, unverzüglich die Rinder-Union West eG (Tel.: 06569-9690-23) zu benachrichtigen bei Erkrankung und Unfällen während des Transportes oder während des Aufenthaltes auf dem Versteigerungsplatz.

Sale Conditions

Sales organisation: Rinder-Union West eG, Eurogenes, Nosbisch Holsteins

Management: Jan de Vries, Arjan v. d. Vliet, Gerd Grebener, Nici Nosbisch / **Veterinary Supervision:** Veterinär- und Lebensmittelüberwachung, Bitburg

Summary of terms and conditions of sale. The complete terms and conditions of sale can be inspected in the sale office.

1. The RUW is selling the animals which are listed in the sale catalogue on its own behalf or on commission.
2. Each auction participant accepts these terms and conditions.
3. All animals are from officially acknowledged tuberculosis-, leucosis- and brucellosis-free herds. All animals which are presented in the sale barn were serologically tested negative on BHV-1.
4. All animals are virologically negative tested on MD/BVD.
5. All known value-reducing defects of an animal are announced by the auctioneer or will be mentioned in the sale update.
6. Incomplete catalogue information is announced. In the case of female breeding calves, the seller is liable to a term of 2 years after the sale, that the female calves do not come from an opposite-sex twin pregnancy (by blood test detectable) and are no hermaphrodites.
7. The sale organisation can not be held responsible for any mistakes made in the catalogue.
8. The seller guarantees for a period of six weeks that all catalogue information is correct. The assurance of parental descent by blood group determination in ET-offspring occurred.
9. Buyer of first choice calves directly have to pay 25% of the purchase price plus the total auction fee. At least three months after the last cow-calf is born, the selection has to take place. Prior to the acquisition the remaining 75% of the purchase price have to be paid. If the guarantee can not be fulfilled, the complete first payment will be paid back.
10. In the case of double bids and disputes the auction management will make a binding decision.
11. Price to be paid by the buyer: Auction price + 9,0% auction fee + tax + insurance premium (plus legal insurance tax). The auction fee will be charged regardless whether RUW trades on own account (own business) or for commission business. Payment has to be made directly after the purchase in the sale office in cash or with a confirmed bank check.
12. The seller is responsible for justified complaints, if the damage is not covered by insurance.
13. **Sale insurance:** Sale animals have obligatory insurance for all damages listed further on. Insurance value is the sale price + VAT. The maximum amount is EUR 10.000, higher insurance is possible. The insurance value for unsold animals is the average price of each category. The insurance coverage will end at the border for export animals, except into the Benelux countries.
Transport insurance (100%): In case of death or putting down as a result of illness or accident (including fire, lightning, theft) in connection with the transport. Liability from leaving the feeder's barn till arrival in the German buyer's stable.
Tuberculosis, brucellosis, leucosis-assurance (100%): In case of official veterinary proven positive reaction (skin allergy test, blood test) in an officially free or unsuspecting livestock. Warranty period is one month for tuberculosis or brucellosis, 3 months for leucosis.
Johnes / Paratuberkulose and Neospora-insurance: The buyer has the option to put on sale day right after his purchase an insurance for Johnes / Paratuberkulose (1.19%) and Neospora (4.76%) on his purchase. If the buyer does decide to not take the possibility to insure his purchase all risk is on his side.
Salmonellose: There is the possibility to insure your purchase for Salmonella on the auctionday for 1%. If the buyer does decide to not take the possibility to insure his purchase all risk is on his side.
IBR / BHV1-insurance: During the transport to the place of sale, during the sale and during the transport to the buyer's barn, animals may only get into contact with animals, which meet the requirements of a BHV1-free cattle according to the valid act (December 2001). If the act is violated, the insurance company is not liable to pay. The insurance case is, if the serological investigation (blood test) in the buyer's barn shows a positive result within 7 days after purchase. The insurance company is entitled within 14 days after receipt of the complaint to have made a follow-up analysis. If this result is different, the result of the sample, taken by the official veterinarian, is decisive. Costs of investigation and damages are not refundable. In all insurance claims the revenues made by utilization will be charged. Impairment losses and veterinary costs are not covered by insurance.
14. Behaviour in case of damages:
The buyer is obliged to contact Rinder-Union West eG (phone: +49 6569-9690-23) without delay in case of illness and accidents during the transport or during the stay on the auction place.

GELAMIN Vario Liquid Power

Flüssige Leberentlastung

GELAMIN Vario Liquid Power

- die Kombination aus den glucoplastischen Substanzen Propylen-glycol und Reinglycerin bringt Energie schnell in den Stoffwechsel
- Artischockenextrakt fördert die Cholerese und entlastet dadurch den Leberstoffwechsel
- beugt der negativen Energiebilanz im ersten Laktationsdrittel vor
- beugt der Fettmobilisation vor und sorgt für mehr Vitalität
- beste Akzeptanz und Schmackhaftigkeit

mit Einsatz von 150 - 400 ml/Kuh und Tag in der TMR,
am Flüssigdoser oder zur Einzeltiervorlage

WHAT EVER YOU LOOK FOR, WE WILL FIND IT!

European Livestock Service: Your partner in mediation (purchase and sell) high quality livestock. From your request to the delivery up to your farm, we take care of the whole proces.

**#request #agency #inspection #purchase
#delivery #statisfaction**

Clients experiences

Christoph Lüpschen (Germany): "Over the last two Years we sold more then 100 Cows to European Livestock Service / Nici Nosbisch, we are really pleased how everything worked, from the selection they did on the farm to the day when the cows left our farm everything was just perfectly organized, we are looking forwards for future buisness with European Livestock Service"

Roccafarm Livestock SA (Belgium): "Sourching quality cows and heifers had been easy, efficient and successfull for us trough European Livestock Service. Findind the right kind of animals makes customers happy."

The Livestock Exchange UK: "We at livestock exchange have nowworked with Nici over 1000 animals! Every part of the buisness is well organised, from finding quality we require, farm visits, relevant paper work trough haulage and delivery! We would not choose to work with anyone else!"

Roel Dekker (The Netherlands): "We are very satisfied with the cows we purchased last year through European Livestock Service. 70 of the 105 animals we purchased are now in 2nd lactation and developed well with great udders and feet & legs."

Don't hesitate to contact us for more info:
